SOURCE

1. It is reported that Foreign Minister Sforza has prepared a new list of retirements among foreign affairs personnel abroad. Those affected will be prominent monarchist supporters or persons compromised with the Fascist regime.
2. Attempts are being made to keep the plan secret but it is believed that the first to be eliminated will be those now in the foreign service in the Far East. Representatives in Latin America whom Sforza states are now engaged in activity detrimental to the Republic will reportedly follow.
3. Furthermore Sforza apparently plans to remove followers of Nenni from posts in the Ministry in order to gain favor with the Allies. However, it is considered questionable that Sforza will be able to control nominations made by his undersecretary Eugenio Reale (Communist).
